Order: We hereby confirm the accuracy of our company's data as per the information given above and we hereby place an order with DAD GmbH (EuroMedi) to publish them in a graphically highlighted form on [www.euromedi.eu](http://www.euromedi.eu) according to the general terms and conditions printed overleaf. We accept the entry's annual costs of 877 Euro, which are payable in advance upon receipt of the invoice. We acknowledge that the contract is valid for the next three years and subsequently will be automatically extended annually unless we provide a written notice requesting termination of the contract, this being no later than three months before the expiration of the contract's term. We are only able to revoke the contract by registered letter within fourteen days of the order date; whereby the date of postage is decisive. We authorize EuroMedi to use contents found on our website for the layout of our entry. We acknowledge Hamburg-Mitte as place of performance and jurisdiction and that German law is solely applicable. We confirm that prior to this order placement we had no business relationship with EuroMedi. We agree that our company's data will be stored electronically.

#### General Terms and Conditions

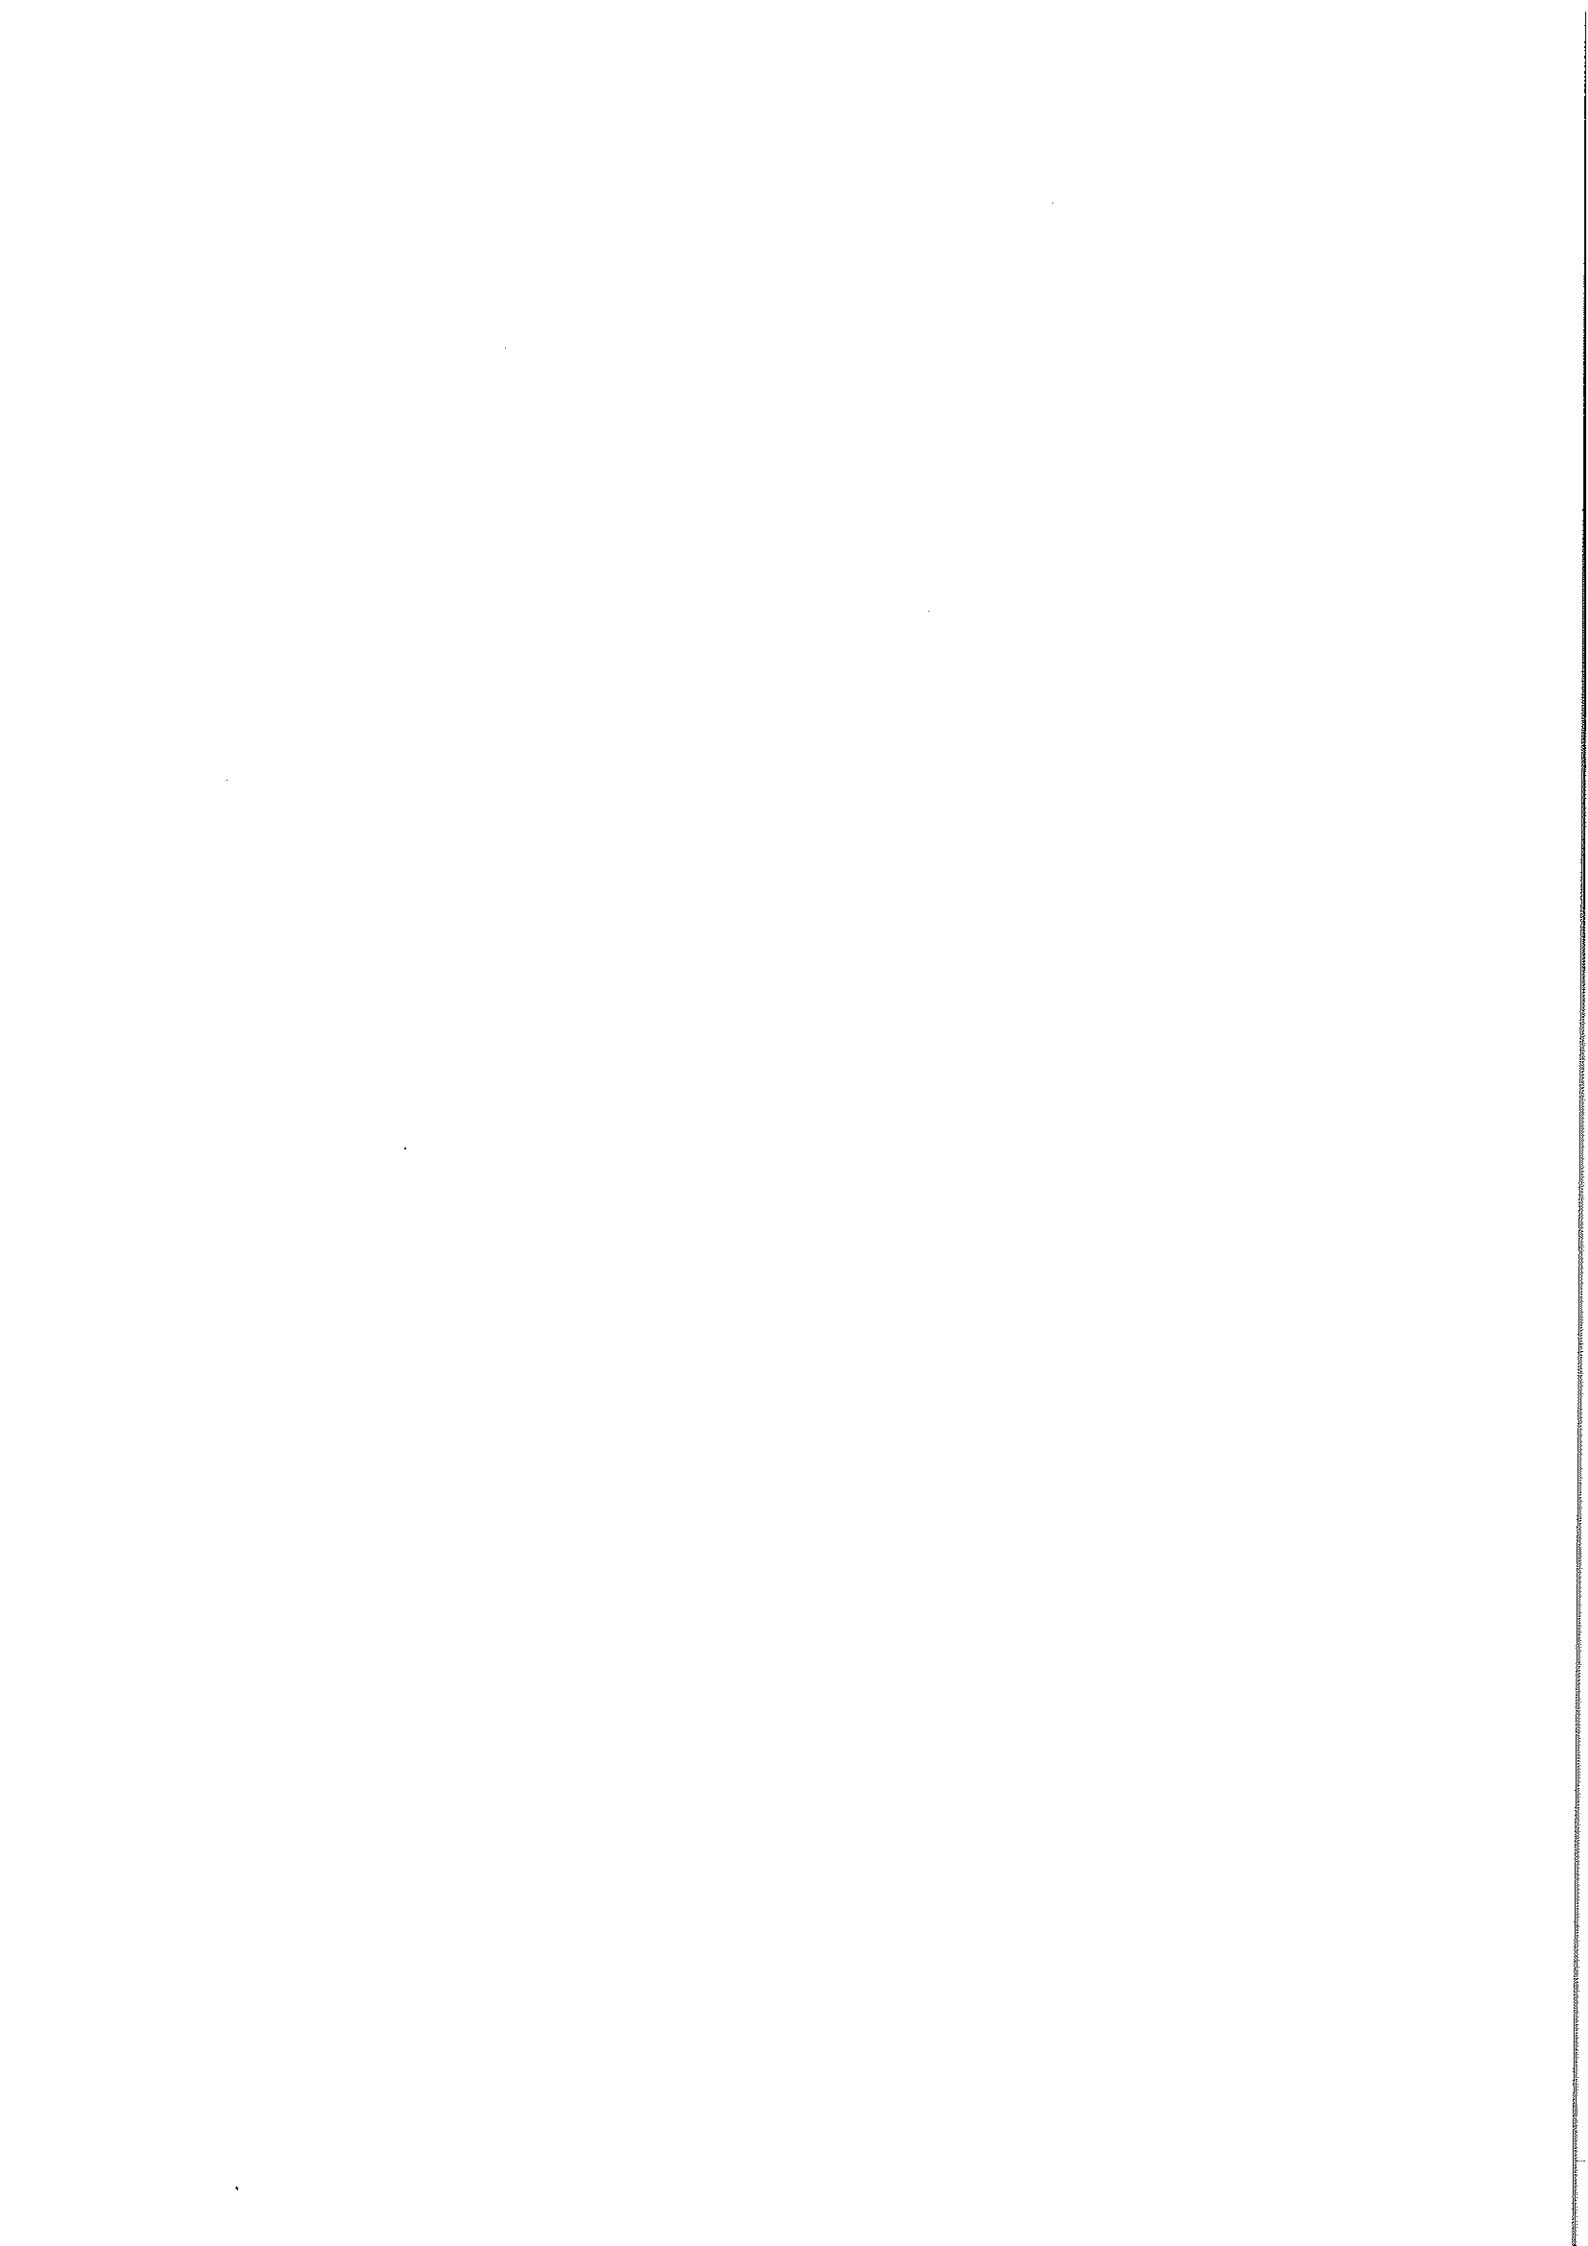

1. The following terms and conditions apply to all orders placed with DAD Deutscher Adressdienst GmbH (hereinafter Publisher). Any diverging agreements, including verbal agreements with Publisher's employees, are subject to express written confirmation by Publisher. The contract comes into force as soon as the signed order was mailed to Publisher (could also be sent by fax or email) and if it has not been revoked within two weeks from the date of order by registered letter (the date of the postmark is binding).
2. Client agrees that any eventual correspondence will be carried out either in English or in German.
3. If Client is a resident in the EU and provides Publisher with a valid VAT-ID number, Publisher charges their services without German VAT. Should Publisher not receive the appropriate VAT-ID number they would be forced to charge VAT.
4. Publisher reserves the right to accept or to refuse graphically highlighted entries ordered and to take decisions on placing and classification. Client is responsible for supplying accurate information for the graphically highlighted entry. Should Client fail to send details together with his order, Publisher would use the available information including client's homepage to create the graphically highlighted entry. The graphically highlighted entry would be published that way until Client gives instructions for changes to be made. Client is responsible for providing notification of amendments. Proofs will be forwarded to Client on his request only. In case Client receives a proof of the graphically highlighted entry and fails to give instructions for changes and/or amendments, the proof would be considered as confirmed.
5. In case of incorrect or incomplete publication of data, partial or complete failure to include the information specified in the order, or in the event of incorrect allocation for which Publisher is responsible, Client shall be entitled to demand an amendment within two weeks without additional costs (correction) and an appropriate reduction of price. Publisher's liability that extends above and beyond the aforementioned, in particular in respect of damage compensations, is excluded.
6. The price quoted applies for one graphically highlighted entry and for one year of publication unless specifically agreed otherwise. Prices are payable yearly. The price for the graphically highlighted entry amounts to EUR 877 p.a. and is payable in advance within 14 days of the invoice date. If the consumer price index for Germany (CPI 2005 = 100) defined by the National Statistics Office increases or reduces by more than 5 % at the point at which a future invoice is due relative to its value on conclusion of the contract, then the price is adjusted by the same percentage. If the price is adjusted based on the above clause, the clause will become applicable again should the index increase by more than 5 % relative to the last adjustment. Client accepts Publisher's right to invoice the contractual amount in any other recognized currency.
7. Publisher reserves the right to publish Client's information in accordance with technological developments on other data carriers or by way of other media. According to § 33 of the Federal German Law of Protection of the Privacy of Personal Data, Publisher precautionary points out that for the purpose of compiling the register all data will be stored electronically.
8. Client recognizes the right of Publisher to assign this order - inclusive of all its rights and obligations - to a third party at any time.
9. In the event that individual provisions of this contract are wholly or partially ineffective, this will not affect the validity of the other contractual provisions.
10. German law is applicable. Publisher's registered office (Hamburg-Mitte) is the sole place of jurisdiction and performance. Publisher reserves the right to take legal action at the place of jurisdiction of the purchaser.
